In Memoriam

The '83 *Chief* is a publication of the Keokuk Senior High School *Comment* staff.

The cover photograph and the endsheet photograph were provided courtesy of Dreasler Photography of Keokuk. The staff offers a special thank you to Thomas Dreasler and his staff for the time and effort they gave to help make this yearbook possible.

Colleen Breitenbucher

The beginning of this school year was marred by the passing away of Colleen Breitenbucher, or "B" as many of the students called her. She was always a caring person and had a smile and a word of encouragement for everyone. The school district recognized her special place in the system by allowing the entire district to be dismissed in order to attend her funeral services.

What she meant to the students and staff can never be expressed in words.

The group performed at football and basketball games as well as wrestling meets, portraying everything from Pac Man to cowboys. Pep assemblies found the girls performing all kinds of antics and skits.

Special projects held this year were Little Feather Day, the MORP (a backware Prom), the Little Little

Feather Clinic for elementary kids, and fundraising events.

The group attended the Iowa State Drill Team Competition in Des Moines in December, bringing home two fourth and one fifth-place finishes.

Four girls, Kathy Stringer, Anne Vandersall, Michelle Prunty, and Aimee Trott, were chosen to perform with the All Iowa Drill Team in Des Moines in March. The group performed before 14,000 people as well as a television audience.

This is the best performing group that Mrs. Pohorsky has ever had.
